Hi Darin ,
Like I told you yesterday I ask the guys why they were dumping the trash on the alley and they told me that Jose , (the Owner of the Shop next to my building in Pico Blvd, who is the person in charge when Mr Chavez, the property owner is not around) ask the to throw the trash, furniture or anything they have left on the alley so always someone call the city to come and pick up any disposal on this location.

the warehouse address is 1310 s Valencia, st, la ca 90015

Good Afternoon Darin,

Our office is fully aware of this constant dumping at this alley and have started working with the responsible City Agencies to address this issue. Luis had mentioned that you had proof about the Owner of the Building dumping in the alley. Please send this to me and I will include it into Open investigation.

Thank you.

Hi Ricardo,

Thank you for following up so quickly. I believe the warehouse address is 1323 S. Valencia but I will double check today when I go down to the BID.

I would like to discuss with you some other enforcement or

surveillance options for this particular alley because it is a regular dumping place for people from all over the city. CD1 and KYCC have been very helpful at maintenance but I think we need to consider other measures.

It is between Valencia and Albany on the South side of Pico Blvd.

If you have a chance could you give me a call at your earliest convenience?

Good Afternoon Darin,

Is there any proof that the warehouse dumped the items? If so, I can have the Investigation and Enforcement Division address the issues and take appropriate actions with the Owner.

Hi Luis
I hope all is well. We have a warehouse on Valencia that
dumped a lot of trash in the alley behind 3D LA.
